“Family Promise helped me with everything. In very hard times when we didn’t have any hope, they gave us that and so much more.” ~ Graduate Mom

We are:

- **Unique** – We keep families *together*; we do not restrict based on age of children or composition of family.
- **Hospitality** – Houses of worship open their doors and volunteers open their hearts; providing meals, shelter, and activities.
- **Cost-Effective** – \$1.00 donated is \$2.50 of program impact; we leverage volunteer time and donations.

We are:

- **Effective** – Over 80% of our families move to stable housing; almost four-times the state average.
- **Essential** – The need to prevent homelessness and end it for those struggling is growing; 12% of Delawarean families live in poverty.

“I lost my mom, then my son, then my relationship. Family Promise helped me so much that I cannot lose anymore.”
